Customers

Connect to Myanmar Net Wi-Fi
at no additional cost

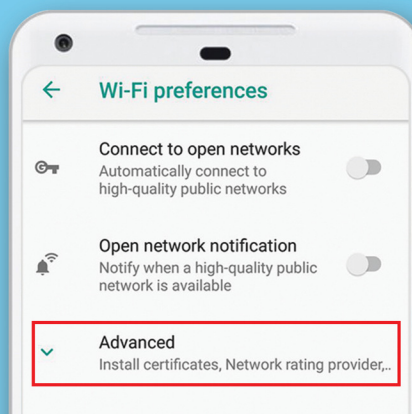

Myanmar Net

- AT&T customers enjoy unlimited Myanmar Net Wi-Fi with up to 4 Mbps speeds
- Simply connect to Myanmar Net Wi-Fi throughout Yangon and Mandalay
- All for FREE!

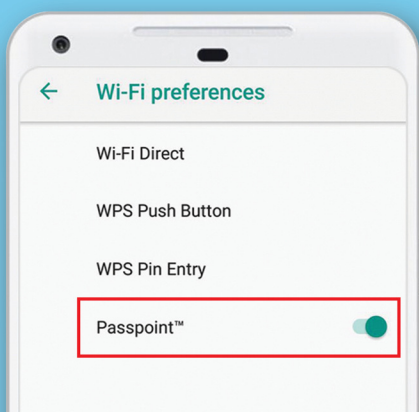

For Android users

1

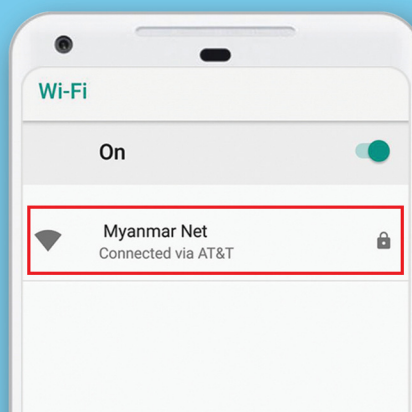

In Wi-Fi preferences, select 'Advanced'

2

Enable 'Passpoint'

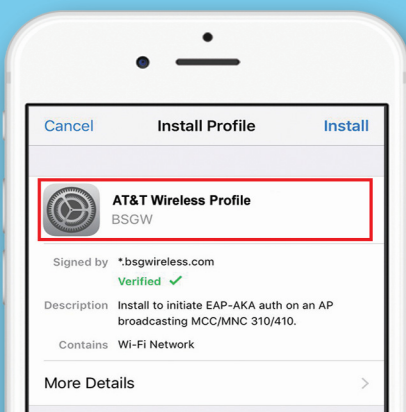

3

Select 'Myanmar Net' from Wi-Fi networks

For iOS users

1

Check for 'AT&T Wireless Profile'
Settings > General > Profiles

2

Select 'Myanmar Net' from Wi-Fi networks

- *Please contact AT&T to confirm AT&T Passpoint access and HS2.0 compatible device
- *If already connected to another Wi-Fi network, 'Forget Network' may be needed first
- *Phone restart may sometimes be needed after first-time set-up
